

My name is Peter Jones, Parent Governor at Whitworth High School. I have many years' experience working in the local government sector and am looking at this as an opportunity to give something back to the local community. I hold Whitworth in high regard; I have a son at the school and my daughter had a great educational experience there and is now studying at Newcastle University. I fully understand all children are not the same, have different abilities, skills and talents and therefore as a Parent Governor I will do my very best for you and your child.
