

El pretérito

IMPORTANT NOTE:

This home learning page is for **MAGENTA, BROWN, CYAN** and **YELLOW** groups only. **INDIGO** and **PINK** (one lesson a week) will be given a separate task to do from **Miss Doyle** during your lessons this week.

Practise these past tense verb formations before your next Spanish lesson where you will be tested. Remember that the practice exercises allow you to remember the information and should be completed carefully. All the information you need to help you is on this side of the sheet.

The preterite tense is used to describe completed actions in the past.

To form the preterite tense of regular verbs, you drop the **-ar/ -er/ -ir** ending from the infinitive, and add the appropriate endings.
