Dear parent /carer,

The use of IT, including the internet, email and online resources, has become an important aspect of modern life and plays a vital role in learning at our school. It is essential that our students are aware of online safety and know how to stay safe when using any IT and we expect them to be safe and responsible when doing so.

Students are expected to read and discuss this agreement with their parents or carers and then to sign and follow the terms of the agreement. Any concerns or explanation can be discussed with their class teacher or the school's online safety coordinator.

Any breach of this agreement will result in sanctions, loss of IT privileges and, if appropriate, police involvement. The online safety policy can be found on the school website. Please complete and return the slip below to school.

Yours sincerely,

Mr A Oliver
