Dear Parents and Carers,

We have recently had reports by both staff and visitors of a number of near misses in the school car park. These have been caused by unnecessary numbers of vehicles and excessive speed.

To help us reduce the number of vehicles on site, it would be helpful if parents/carers only drive onto the school site in the morning to drop off their children if it is absolutely necessary e.g. if your child has a mobility issue. Also, please could I respectfully ask that all drivers who need to use the school car park drive carefully and considerately. The site speed limit is 10 miles per hour.

Whilst I am writing, it is important that I address a number of complaints from local residents regarding double parking and waiting on double yellow lines on Hall Street. For the safety of all school users and local residents please could I ask that drivers follow the parking regulations and consider the safety of others.

Thank you to the majority of parents/carers who always park and drive safely and courteously when dropping off at school or attending school events.

Kind Regards

A handwritten signature in black ink, appearing to be 'A. Bland', written over a light blue horizontal line.

Mr Bland  
Deputy Headteacher
