23rd September 2025

Dear parents and carers

RE: Y11 Revision Evening - Wednesday 1st October 2025

Firstly, can I congratulate Year 11 students on a very positive start to the academic year. Attendance has been excellent so far and teachers have been impressed with students, both in lessons and in intervention sessions.

I would like to give you the details for our Year 11 Revision Evening on Wednesday 1st October 2025

- **5:30pm** - Revision resources such as flash cards and CGP revision guides for all subjects will be on sale in the dining hall at a subsidised rate. It is advised to bring cards or some cash should you wish to purchase any of these resources for your child. For your convenience, revision guides will also be available for payment in advance via ParentPay. Teachers representing all subjects will be on hand during this time should you need any advice regarding how best to support your child with their revision.
- **6:00pm** - Headteacher welcome and a short presentation on general revision strategies.
- **6:15pm** - Subject specific advice sessions for core subjects.
- **7:15pm** - Additional time to purchase revision resources or for parents/carers to speak with teaching staff.
- **7:30pm** - End of event.

This event is for Year 11 students and their parents or carers and will provide an overview of revision and study strategies along with specific guidance from subject areas that parents and carers can use to support their children. Due to the space available in the break-out sessions, please could I politely ask where possible students are accompanied by just one parent/carer for this event.

The evening will also provide a timely opportunity for students to talk with subject leaders and the senior leadership team about any specific questions you might have regarding your child's progress. This is in advance of the forthcoming Year 11 Parents' Evening from 4.00pm – 6.00pm on Wednesday 3rd December 2025 in school.

In addition to the Revision Evening, it is essential that parents continue to maintain challenge and support by ensuring students attend the many extra-curricular GCSE opportunities provided by our dedicated subject teams. Our formalised support and intervention programme targeting students in specific subjects, details of which are available to students on the Humanities corridor noticeboard in school and parents will be informed by text message in advance.

Parking is limited on site so please leave plenty of time or preferably please kindly park off site.

Thank you for your continued support.

Yours sincerely

Mr A Oliver
Headteacher
