Dear Parent/carer,

I am writing to you regarding arrangements for the final two weeks of GCSE exams. Before I do this however, I would like to praise and thank all of our year 11 students for their focus and excellent behaviour both in the exam hall and in lessons.

As some exams are completed there will be some times when we pass the responsibility on to students to revise at home during the school day. I would like to emphasise some key dates.

- Tuesday 10th, students not studying history go home after period 3.
- Wednesday 11th, students not studying geography or music go home after the maths exam. The remaining students go home at lunch time.
- Thursday 12th, only geography students are in school for the morning. Hospitality and catering students who don't do geography should come into school at 11:30.
- Friday 13th, students go home after lunch except for music, Spanish and DT students.
- Monday 16th, students go home after the physics exam except for music, Spanish and DT students. Spanish and DT students go home at lunch time.
- Tuesday 27th, only Spanish students in school; they leave after the exam.
- Wednesday 18th, only DT students in the morning.
- Wednesday 18th, ALL REMAINING STUDENTS TO COME IN TO SCHOOL AT 11:30 FOR THE LEAVERS' ASSEMBLY in full school uniform.

If not explicitly mentioned above, students should be in school as usual. Students have been given a paper copy which explains where they should be and when.

Please encourage students to make good use of their time when not in school by revising for upcoming exams.

The leavers' assembly is an opportunity to celebrate the time spent at Whitworth Community High School and we hope that all students will be able to attend. There will be an opportunity for shirt signing and leavers' hoodies will be handed out.

Please could I take the opportunity to remind you that GCSE results day is on Thursday 21st August. School will be open at 9am for students and their parents/carers.

Kind Regards
