Dear Parents/Carers,

Thank you to all of you who attended the parents' evening with your children earlier this week. Thanks also for the overwhelmingly positive feedback that you left for us. The majority of parents were glad that we have moved back towards face-to-face events. Additionally, several commented on the innovative use of technology to make the evening run so smoothly.

During the evening, several parents/carers told us that they weren't sure what the number grades equate to and asked for some clarification. In response to this, I have pasted a grid below to roughly show how the new number grades correlate to the old GCSE letter grades. I am sorry that we did not make this clearer for parents/carers sooner.

New grades	Old grades
9	A*
8	A
7	
6	B
5	
4	C
3	D
2	E
1	F
	G
U	U

I hope this information is of use to you as you support your children in the final few months in the run up to the spring mocks and summer finals examinations.

Please could I take the opportunity to thank you for your support and remind you that revision resources are available to students on the web site. Username: i.climb Password: Higher2021 (case sensitive). Also, please could I ask that parents/carers continue to support us by reminding your children to attend intervention sessions when they are invited. These intervention sessions are vital for students to ensure that they achieve the best grades they are capable of in their GCSEs.

Many thanks

Mr A Oliver
 Headteacher
