

Co-opted Governor for Pupil Premium

My name is Irene Banham, I have lived in Whitworth for over 40 years, I have 3 children who have enjoyed being involved in the local community and I continue to do so.

I have recently retired from the role of PA to the Headteacher/Office Manager at Whitworth Community High School. I started at the school in 2002 as Admin Assistant moving on to Office Manager and then PA to the Headteacher.

I have been a Governor of the school for over 8 years and feel very proud of being part of a team of excellent staff and Governors who are dedicated to improving the opportunities and lives of young people.
