

Spanish Overview - 5 Year Plan

At Whitworth Community High School, we offer Spanish to GCSE with all students starting their language journey in Year 7 when they join.

We use "Viva 1, 2 & 3" to deliver the KS3 Spanish course. All of these courses offer a wealth of interactive ICT opportunities for our pupils. We offer our GCSE course in Spanish following the new AQA GCSE specification.

Lessons are delivered using a wide variety of teaching methods, including role play, mime, games, flashcards and electronically produced materials. The target language is also regularly used to give instructions and to communicate in the classroom.

At KS3 we deliver a range of exciting projects to support the curriculum, from participating in a Foreign Language Spelling Bee across the local Borough to participating in a Spanish Talent competition in Rochdale!
