Spring 2	Módulo – 4	¿Qué hacemos?	
Summer 1	Módulo – 5	Operación verano	End of Year Assessment of all 4 Skills Translations & GCSE style Photocard and Roleplay
Summer 2	Project work and Hispanic Cultural Awareness		

Year 8 is about building further upon the skills learned in Year 7, to prepare you for Year 9 and GCSE. You learn how to ask questions and give extended, detailed answers, giving, justifying and explaining your ideas and opinions, using a wider variety of language. You will learn more of the key grammar, including: irregular verb formations; more complex opinions; additional tense formations.

Home Learning

You will receive two 2 Home Learning booklets over a year. Your teacher may also give you learning homework (for example: a list of vocabulary needed for the topics being studied). You will also have workbooks for both home and class learning which you will be expected to keep up to date.

Equipment

School required equipment is mandatory. It is also a good idea for you to have a Spanish / English (bilingual) dictionary which you can bring with you to lessons. Your teacher may set you work via Google Classroom, so an internet connection at home will be useful. (If this is not possible, you will be able to use school computers in Homework Club, etc).

How can your parents support your learning?

Friends and family can support you by testing you and/or learning the language with you. You can use various websites on the internet (eg: [ActiveLearn](#) - ask your teacher for your username and password) to practise listening and reading Spanish vocabulary, through exercises & games.

What extra-curricular activities or enrichment opportunities are available?

Language Club is held every week; come along and have fun with the language; get a Spanish penfriend; learn other languages or just get help with anything at all you are struggling with in your learning. You are always welcome to come and ask the teachers for help with work at any other time too. At the end of Year 8 you will have the opportunity to apply to become a “Language Leader” in Year 9.
